I'm through with you  
And your pretty golden hair  
Don't want to see you  
'round my door anymore  
Ain't no use you making it up  
I told you gal  
And you've come unstuck  
You be messin' me up

Chorus:

Don't want you no more  
Don't want you no more  
Don't want your lovin', honey  
Don't want you no more.

You come around and you think  
That I'm always there  
Always was  
But you never seemed to care  
Ridin' around with them other guys  
You don't seem to realize  
That I'm all hung up on you

Chorus

I stayed out at night  
But I never seemed to sleep  
Asked myself if you're worth  
The money to keep  
I'm thinking of the good  
Times that we had  
I never thought a gal  
Could be so bad  
I can't help thinkin' to myself

Chorus
