Keep on talking all you want
Well you don't waste a minute of time
Who cares, who knows what's true
Coffee and tears the whole night through

Burning up on midnight oil
And it's come right back on you

Freedom overspill, freedom overspill

Force of habit, you could say
The way they talk you're talking away
Who cares, who knows what's true
Your wounded pride is burning you up

Burning up on midnight oil
And it's come right back on you

Freedom overspill, freedom overspill

You're sounding good to me now keep talking on
I want to hear the worst you got no right going around
Talking 'bout the things that you do, that you do

Keep on talking all you want
Well you don't waste a minute of time
Who cares, who knows what's true
Coffee and tears the whole night through
Burning up on midnight oil
And it's come right back on you

Freedom overspill
There's an freedom overspill come on
Freedom overspill, freedom overspill

You're sounding good to me now keep talking on
I want to hear the worst you got no right going around
Talking 'bout the things that you do
Talking 'bout the things you do

Force of habit, you could say
The way they talk you're talking away

Who cares, who knows what's true
Your wounded pride is burning you up

Burning up on midnight oil
And it's come right back on you

Freedom overspill, oh freedom overspill
Freedom overspill, oh freedom overspill

Freedom overspill, freedom overspill
Freedom, freedom, freedom, freedom, freedom
Freedom, freedom, freedom over, overspill
Freedom, freedom, freedom, overspill
Freedom, freedom, freedom
