Well, my temperature's rising and my feet hit the floor  
Twenty people knocking 'cause they're wanting some  
more

Let me in, baby, I don't know what you've got  
But you'd better take it easy 'cause this place is hot

So glad we made it, so glad we made it  
You got to gimme some lovin', gimme some lovin'  
Gimme some lovin' every day

Well, I feel so good, everything is sounding hot  
Better take it easy 'cause the place is on fire  
Been a hard day and I don't know what to do  
Wait a minute, baby, it could happen to you

So glad we made it, so glad we made it  
You got to gimme some lovin', gimme some lovin'  
Gimme some lovin' every day

Well, I feel so good, everybody's getting higher  
Better take it easy 'cause the place is on fire  
Been a hard day, nothing went too good  
Now I'm gonna relax, honey, everybody should

So glad we made it, so glad we made it  
You got to gimme some lovin', gimme some lovin'  
Gimme some lovin' every day
