Ride on the swing in and out of the bars  
Capturing moments of life in a jar  
Playing with children, acting as stars

Guiding your visions to heaven  
And heaven is in your mind

Take extra care not to lose what you feel  
The apple you're eating is simple and real  
So, water the flowers that grow at your heel

Guiding your visions to heaven  
And heaven is in your mind

Ride on the swing in and out of the bars  
Capturing moments of life in a jar  
Playing with children, acting as stars

Guiding your visions to heaven  
And heaven is in your mind

Take extra care not to lose what you feel  
The apple you're eating is simple and real  
Water the flowers that grow at your heel

Guiding your visions to heaven  
And heaven is in your mind
