Take a walk down by, take a walk down by the river  
There's a lot that you, there's a lot that you can learn  
If you've got a mind that's open, if you've got a heart  
that yearns

If you listen to, if you listen to the water  
You will hear the sound, you will hear the sound of life  
There's a million different voices, there is happiness  
and strife  
Message in the deep, from a strange eternal sleep  
That is waiting there, that is waiting there for you  
Like hidden treasure
