Say, it's all right  
(It's all right)  
Say, it's all right  
(It's all right)  
It's all right, have a good time  
'Cos it's all right, whoa, it's all right

We're gonna move it slow  
When lights are low  
When you move it slow?  
'Cos it's all right, whoa, it's all right

Now listen to the beat  
And tap your feet  
You got soul, everybody knows  
That it's all right, whoa, it's all right

When you wake up early in the morning  
Feeling sad like so many of us do  
Have a little soul, may love grow old  
But surely someone's got to come to you

Mmm  
(It's all right)  
Say, it's all right  
(It's all right)  
It's all right, have a good time  
'Cos it's all right, whoa, it's all right

Everybody clap your hands  
Give yourself a chance  
You got soul, everybody knows  
That it's all right, whoa, it's all right

One day I found me a woman  
And she loved and treated me nice  
When my road gotta go  
And my love she will know  
From morning to the night

Mmm  
(It's all right)

Say, it's all right  
(It's all right)  
It's all right, have a good time  
'Cos it's all right, whoa, it's all right

Everybody clap your hands  
Give yourself a chance  
You got soul, everybody knows  
That it's all right, whoa, it's all right

Everybody clap your hands  
Give yourself a chance  
You got soul, everybody knows  
That it's all right, whoa, it's all right

Say, it's all right  
(It's all right)  
Say, it's all right  
(It's all right)  
It's all right, have a good time  
'Cos it's all right, whoa, it's all right

Everybody clap your hands  
Give yourself a chance  
You got soul, everybody knows  
That it's all right, whoa, it's all right

It's all right  
It's all right  
You got soul, everybody knows  
That it's all right, whoa, it's all right
