Pretty Polly Possum, what's wrong with you?
Your body's kinda weak and you think there's nothing
we can do
Good golly, Polly, shame on you
'Cause Molly made a stew that'll make a new girl out of
you

So follow me, it's good for you
That good old fashioned medicated goo
Ooh, ain't it good for you?
My own, home-grown recipe'll see you through

Freaky Freddy Frolic, had some I know
He was last seen picking green flowers in a field of
snow
Get ready, Freddy, they're sure to grow
Mother Nature just blew it and there's nothing really to
it, I know

So follow me, it's good for you
That good old fashioned medicated goo
Ooh, ain't it good for you?
My own, home-grown recipe'll see you through

Aunty Franny Prickett and Uncle Lou
They made some goo, now they really sock it to their
friends
Frantic friends and neighbors charge the door
They caught a little whiff, now they're digging it and
seeking more
More, more

So follow me, it's good for you
That good old fashioned medicated goo
Ooh, ain't it good for you?
My own, home-grown recipe'll see you through

So follow me, it's good for you
That good old fashioned medicated goo
Ooh, ain't it good for you?
My own, home-grown recipe'll see you through
