All over the night, the beat goes on
Can you hear? Can you feel?
Through the years music keeps runnin'
Keeps runnin' on, on and on

And I'll always be feeling it and I won't slow down
Just as long as those wheels go round
I'll be riding that fast train to Memphis on that sweet R
and B
Till that green grass way down home grows up over me

Somewhere in this world a child is born
He can hear, he can feel
Just like me, he'll keep runnin' on
Keep it runnin' on, on and on

And I'll always be feeling it and he won't slow down
Just as long as those wheels go round
He'll be riding that fast train to Memphis on that sweet
R and B
When that green grass way down home grows up over
me
Over me
