Spy, baby  
Spy, baby

There was a time, you had it made  
Everything was going your way  
So many guys hanging on a string  
You just wanted to play

Like a spy in the House of Love  
Searching for a clue in the dark  
Spy in the House of Love  
Someone put a spell on your heart

Spy in the House of Love  
Searching for a clue in the dark  
Spy in the House of Love  
Someone's got a hold on your heart

Spy, baby, in the House of Love  
Spy, baby, in the House of Love, yeah

Out on the street, you were the queen  
Playing games with jokers and fools  
Then out of the night there comes the king  
Now he's changing the rules, yeah

Like a spy in the House of Love  
Searching for a clue in the dark  
Spy in the House of Love  
Someone put a spell on your heart

Spy in the House of Love  
Searching for a clue in the dark  
Spy in the House of Love  
Someone's got a hold on your heart

Spy, baby, in the House of Love  
Spy, baby, in the House of Love

Spy in the House of Love  
Searching for a clue in the dark  
Spy in the House of Love

Suspecting's gonna drag you apart

Spy in the House of Love  
Searching for a clue in the dark  
Spy in the House of Love  
Someone's got a hold on your heart

Spy in the House of Love, of Love  
Spy in the House of Love, House of Love

Spy in the House of Love  
Spy in the House of Love, House of Love  
Spy in the House of Love  
Spy in the House of Love
