I gave you my heart
Right from the start, yeah, yeah
I gave you my heart
Now you tear apart

You wrote me a letter
You found someone better, yeah, yeah
Better than me
This I can't believe

When I come home
Tell me all about it
When I come home
Tell me all about it

I work all day
Earnin' my pay, yeah, yeah
I work all night
Make you feel alright

When I come home
Tell me all about it
When I come home
Tell me all about it

When I come home
Tell me all about it
When I come home
Tell me all about it

When I come home
Tell me all about it
