I got your letter From the postman just the other day So I decided to write you this song Just to let you know Exactly the way I feel To let you know my loveÂ's for real

Because I love you
And IÂ'll do anything
IÂ'll give you my heart, my everything
Because I love you
IÂ'll be right by your side
To be your light, to be your guide

If you should feel That I donÂ't really care

And that youÂ're starting to lose ground Just let me reassure you Tah tyou can count on me And that IÂ'll always be around

Because I love you
My heartÂ's an open door
Girl, wonÂ't you please come on in
Because I love you
IÂ'II be right by your side
To be your light, to be your guide
Because I love you
IÂ'II be right by your side
To be your light, to be your guide
