Yeah, yeah, yeah

Girl, I'll do anything for you  
'Cause you that made my dream come true  
And I'd really like to know you better

When I looked into your eyes  
It took me by surprise  
All I saw was love and emotion  
Girl, let's run away  
Just you and I today  
Girl, I want your total devotion

Let me love you, girl, forever more  
I love you, baby  
Let me love you, girl, forever more  
I love you, baby

Baby, there's nothing like kissing you  
That's all I really want to do  
Girl, you're like a priceless treasure

When I'm holdin' you so close  
Is what I like the most  
Girl, you know you turn me on, baby  
I know your love is real  
'Cause girl, I know the deal  
I just want your love and devotion

Let me love you, girl, forever more  
I love you, baby  
Let me love you, girl, forever more  
I love you, baby

When I'm sittin' all alone and I'm thinkin' of you, girl  
Won't you believe it when I tell you that I love you, girl  
What can I do to make it last forever  
Girl, I only wanna be with you  
When I looked into your eyes  
It took me by surprise  
All I saw was love and emotion  
Girl, let's run away

Just you and I today  
Girl, I want your total devotion

Let me love you, girl, forever more  
I love you, baby  
Let me love you, girl, forever more  
I love you, baby

When I'm sittin' all alone and I'm thinkin' of you, girl  
Won't you believe it when I tell you that I love you, girl  
What can I do to make it last forever, girl  
I'm sittin' all alone, I'm sit-sit-sit, I'm sittin' all alone, sit-sit-sit

Woo  
Oh...oh...  
Remember I love you, girl  
I'll be there for you, baby  
Oh, yeah, hey, yeah

Let me love you, girl, forever more (I'll be there for you, baby)  
I love you, baby  
Let me love you, girl, forever more (Oh, wanna live my life lovin' you)  
I love you, baby

Let me love you, girl, forever more (Forever more, forever more, baby)  
I love you, baby  
Let me love you, girl, forever more (I'll do anything for you, baby, yeah)  
I love you, baby
