"You were the one
I wanted all my life
I waited for so long
No one has ever
Made me feel so right
My love for you is so strong

I would walk through fire
Just to be close to you
Come right down to the wire
I will do what ever i had to do
No river or no ocean
Could drown this desire
I will do anything
I would walk through fire

I would never leave you
And never let you down
Cause you mean too much to me
I have been a prisoner
I'm not take no bounds
I will do it all willingly

I would walk through fire
Just to be close to you
Come right down to the wire
I will do what ever i had to do
No river or no ocean
Could drown this desire
I will do anything
I would walk through fire

No moutain is too high to climb
Knowing that your loved
Your love for me all my life

I would walk through fire
Just to be close to you
Come right down to the wire
I will whatever i had to do
No river no ocean
Could drown this desire

I will do anything
I'd walk through fire
I will do anything
Anything at all
I would walk through fire"!!!..
