i always thought i was doing fine
spreading myself around anopther good time
then it hit me from out of the blue
i was falling in love with you
but now everything has changed
my hopes and dreams are rearranged its true
its all because of you my baby

i'll be loving you all my life
till my dying day its true
i'll be loving you
forever
i'll be loving you all my life
till my dying day its true
i'll be loving you
forever

every night i wonder if you know
no matter what they say i won't let go
don't ask yourself if i'll always be there
cause forevers how long i'll care
as time goes by and the feeling gets stronger

to be in your arms
can't awit any longer

look in my eyes and see its true
day and night
all my thoughts of you
i'll be loving you all my life
till my dying day its true
i'll be loving you
forever
i'll be loving you all my life
till my dying day its true
i'll be loving you
forever

i'll be loving you all my life
till my dying day its true
i'll be loving you
forever

i'll be loving you all my life
till my dying day its true
i'll be loving you
forever

i'll be loving you all my life
till my dying day its true
i'll be loving you
forever

i'll be loving you all my life
till my dying day its true
i'll be loving you
forever
