There was a time in my life  
When I opened my eyes and there you were,  
You were more than a dream,  
I could reach out and touch you,  
Girl that was long ago.  
There are some things that I guess I'll never know,  
When you love someone  
You got to learn to let them go.

When I dream about you,  
That's when everything's all right,  
You're in my arms  
Here next to me, forever.  
When I dream about you,  
Girl you never go away,  
Just close my eyes  
Wait for my dreams  
Cause I still love, loving you.

How can I get you to see  
That I'm falling apart  
Since you've been gone,  
I can never be sure  
I could ever let go  
Your love is much too strong,  
There are some things that I guess I'll never know,

When you love someone  
You got to learn to let them go.

When I dream about you,  
That's when everything's all right,  
You're in my arms  
Here next to me, forever.  
When I dream about you,  
Girl you never go away,  
Just close my eyes  
Wait for my dreams,  
Cause I still love, loving you.

There are some things that I guess I'll never know,  
When you love someone

You got to learn to let them go.

When I dream about you,  
That's when everything's all right,  
You're in my arms  
Here next to me, forever.  
When I dream about you  
Girl you never go away,  
Just close my eyes  
Wait for my dreams,  
Cause I still love, loving you.
