Many nights I lay awake and
I think about we just said
Just holding on to what we had
And hoping that it's not the end
Cause your love is what I'm thinking of
I need you close inside my arms
Cause you are the one that I do need
My heart is what I will give you

Cause you are the one that makes me smile
You are the one that I need now
You are the one that I adore
Baby I want you back once more

Everyday without your lovin'
I just a life of misery
I wonder if you're thinking of me
And if you every come to see
Cause your love is all I'm thinking of
I need you close inside my arms
Cause you are the one that I do need
My heart is what I will give you

Cause you are the one that makes me smile
You are the one that I need now
You are the one that I adore
Baby I want you back once more

You are the one that makes me smile
You are the one that I need now
You are the one that I adore
Baby I want you back once more

Cause your love is all I'm thinking of
I need you close inside my arms
Cause you are the one that I do need
My heart is what I will give you

Cause you are the one that makes me smile
You are the one that I need now
You are the one that I adore

Baby I want you back once more

You are the one that makes me smile

You are the one that I need now

You are the one that I adore

Baby I want you back once more
