You know girl  
My heart goes out to you  
Hear me out now  
Cuz its all 4 love

I'm so glad ur my girl  
I'll do anything for U  
Call U every night  
And give U flowers 2  
I thank the lord 4 U  
And think about U all the time  
I ask him every day  
That U'll 4-ever B mine  
I wanna hold your hand  
2 show U i'll B there  
I like to do the things  
Let U know i care  
I sing this lullaby  
'Cause girl u fill me full  
I look into your eyes  
You're so beautiful

#### CHORUS

Oh girl i think i love ya  
I'm always thinkin' of ya  
I want U 2 know i do it all 4love  
I love it when we're 2-gether  
Girl i need u 4-ever  
And i want u to know i do it all 4 love

I will never leave U sugar

I will be there for ya  
2 catch U when U fall  
I'll hold U in my arms

I sing this lullaby  
'Cause girl U fill me full  
I look into your eyes

Ooh baby!

REPEAT CHORUS

I want you to know something alright  
Y'see every day of my life without U  
Would belike a hundred years

An ocean of tears
