you know our love was meant to be the kind of love that
last forever
and i want you here with me from tonight until the end
of time
you should know everywhere i go your always on my
mind
in my heart in my soul baby your the meaning in my life
,

your the inspiration you bring feeling to my life yourr
the inspiration

saying
no one needs you more than i need you and i know yes

that's it's plain to see so in love when were together
now i know that i need you here with me
from tonight until the end of time
you should know everywhere i go y

when you love somebody till the end of time
when you love somebody always on my mind
no one needs you needs you more than i
when you love somebody till the end of time
when you love somebody always on mind
no one needs you more than i
when you love somebody till the end of time
when you love somebody always on my mind
no one needs you more than i
