Verse One [Lord Digga]

Don't test me son

There might be death behind curtain number one

Panthoes niggas get scared and then they run

For the border

Only to prolong they slaughter

I'm off the hook, unplugged, outta order

Coming up with shit you never thought of

And if you girl suck dick good I taught her

I flow by the mountain stream niggas is tap water

About to raincheck your style put your flow on back
order

Break backs like Atwater

Manslaughter

Maurader at midnight with your daughters

Niggas oughta

Pay attention

Call me Meryl cause I'm about to be Lynchin

And I forget to mention

My animal instincts won't allow no flinchin

See cause

Chorus

My flow is tight

My flow is tight

To my niggas all over the world

My flow is tight 4x

Verse Two [Lord Digga]

If I can't get this by flowing

I'ma take it without ya'll niggas knowin

Would hit ya

Fuck up ya city like a twista

Blow up like Arista

Chapapa's make a list of the nicest niggas

Get slammed like Dominoes when I deliver

Not hotwings

Or the pizza with the toppings

Tired of niggas flopping

They ain't hip they just hopping

From one used style to the next

It happened for the love of the game
Niggas want checks
But need to check themselves
While they albums ain't selling collecting dust on
shelves

Chorus
