[Intro - Lloyd Banks]

New York City!

You are now rocking with the best

Lloyd Banks! G Unit!

[Chorus - 50 Cent] (Lloyd Banks)

We on fire - up in here

It's burning hot, we on fire

She'll take it off, if it get too hot

Up in this spot, we on fire

Tear the roof off this motherfucker

Light the roof on fire (Uh! Nigga what you say?!)

We get loose in this motherfucker

Light the roof on fire fire fire

[Verse - Lloyd Banks]

Naw I aint putting nothing out, I smoke when I wanna

26 inch chrome spokes on the Hummer

This heat gon last for the whole summer

Running your bitch faster then the Road Runner

Rocks on my wrist, rose gold under

Glocks on my hip, those throw thunder

I'm riding Dalvins by the pier

But when you stop, the only thing still spinning is your
ear

Yeah, I'm riding with that all black snub

Raiders cap back, all black gloves

A ladies man, but the boy smack thugs

These record sales equal more back rubs

Not to mention the boy pack clubs

His impacts about as raw as crack was

Now all these new artists getting wrong deals

I'm only 21, sitting on mills

[Chorus]

[Verse - Lloyd Banks]

If you know anything about me, then you know I'm a
baller

If I don't hit the first night, I ain't gon call her
I'm trying to play, you trying to have my daughter
But I can't blame her for what her momma taught her
And I don't care bout what the next nigga bought her
Cause I aint putting no baguettes in her abuela
I got a diamond about as clear as water
And I got bread, but I ain't spend a quarter
So cut the games ma, let's go in the back
Matter fact, turn your ass round, back a nigga down
And I aint bias when I'm riding through the town
Like em small, like em tall, like em black, like em brown
She gotta be able to cum when I need her
Tight ass pants, little wife beater
Regular chick or R&B diva
Bitch say something, I ain't a mind reader

[Chorus]
