It's kinda crazy that
I keep on coming back
First we make up and then
We fight and break up again
It's obvious to see
You're just no good for me
But still I find myself
Holding on

Everytime the phones rings
I'm hoping it's you
It's hard to be without you
I don't know what to do
These walls are closing in on me
I can't seem to breathe
I try to pull away from you
But it's killing me because
I can't stop loving you (x4)

Can't seem to find the truth
You got me so confused
Girl if you only knew
All the things you put me through
My friends keep telling me
That I should up and leave
But they don't understand
I'm addicted to you

Everytime the phones rings
I'm hoping it's you
It's hard to be without you
I don't know what to do
These walls are closing in on me
I can't seem to breathe
I try to pull away from you
But it's killing me
Girl it's killing me
I can't stop loving you (x4)
It's driving me crazy
I can't stop
I can't stop loving you (x8)
