Every dream, every night
Every day, I swear that I
Will fight for love, fight for love
Iâ€™ll fight for love, fight for love

Iâ€™ll be here, standing strong
Even when all love is gone
Iâ€™ll fight for love, fight for love
Iâ€™ll fight for love,

When the world is falling around us
I know me, we still have each other
Just look into my eyes
And youâ€™ll see thereâ€™s nothing to fear

Cause Iâ€™m gonna find the hero inside me
Nothing can stop us if youâ€™re behind me
Youâ€™re gonna see through to this
Baby I will be there
You donâ€™t have to be afraid

[Chorus]

I will fight for love, I will fight for love
From these days till the end of time
Baby Iâ€™ll be right by your side
I will fight for love, I will fight for love
From these days till the end of time
Baby Iâ€™ll be right by your side
So forever I wonâ€™t give up
I fight for love, na na, oh no

I fight for love, I fight for love, oh
I fight for love, I fight for love, oh

[Chorus]

I will fight for love, I will fight for love
From these days till the end of time
Baby Iâ€™ll be right by your side
I will fight for love, I will fight for love
From these days till the end of time
Baby Iâ€™ll be right by your side

So forever I won't give up
I fight for love, na na, oh no
