[Iyaz:]

It's gonna take a lot\*

To drag me away from you

There's nothing that

A hundred men or more could ever do

Just like the way down in Africa

It's gonna take some time

But I know you're worth fighting for

[Stevie Hoang:]

I'll fight for you

Oh ohh

I'll fight for you

(Stevie Hoang)

Oh ohh

I'll fight for you

(Iyaz in the building)

Oh ohh

I'll fight for you

Oh ohh

[Stevie Hoang:]

Girl I know everywhere we go

They don't wanna see us together

Girl just don't take your love away

Cause I'm willing to do whatever

Cause I don't wanna see you cry

Girl, I just wanna be your guy

Just know that we will be alright

Cause as lovers we'll prepare to fight

Cause baby I don't wanna go another day

And I don't wanna see another face

I'm not gonna let them tear us down

I'm doing this song, you know

I'll fight for you

[Iyaz]

It's gonna take a lot

To drag me away from you

There's nothing that

A hundred men or more could ever do

Just like the way down in Africa

It's gonna take some time

But I know you're worth fighting for

Let's go

[Stevie Hoang]  
What they say  
It don't even matter  
Cause they don't really understand  
What we have is gonna last forever  
And I'mma do the best I can  
Cause I don't wanna see you cry  
Girl, I just wanna be your guy  
Just know that we will be alright  
Cause as lovers we'll prepair to fight  
Cause baby I don't wanna go another day  
And I don't wanna see another face  
I'm not gonna let them tear us down  
I'm doing this song, you know  
I'll fight for you

[lyaz]  
It's gonna take a lot  
To drag me away from you  
There's nothing that  
A hundred men or more could ever do  
Just like the way down in Africa  
It's gonna take some time  
But I know you're worth fighting for

[Stevie Hoang]  
Now if you got someone  
That's worth fighting for  
Don't let nobody hold you down  
Let me here you say ooo, ooo, ooo  
(Ooo, ooo, ooo)  
Say ooo, ooo, ooo  
And if you find someone  
That's worth dying for  
The one you can't live without  
Let me here you say ooo, ooo, ooo  
(Ooo, ooo, ooo)  
Ooo, ooo, ooo  
(Ooo, ooo, ooo)

I don't wanna go another day  
And I don't wanna see another face  
I'm not gonna let them tear us down  
I'm doing this song, you know  
I'll fight for you

[lyaz]  
It's gonna take a lot  
To drag me away from you  
There's nothing that  
a hundred men or more could ever do  
Just like the way down in Africa  
It's gonna take some time  
But I know you're worth fighting for
