Let Me Start By Saying Baby I've Been Such A Fool
Since We've Been Apart I've Realized I'm Needing You
Now I Don't Blame You If You Choose To Turn And Walk
Away
But Girl I Think That What We Have Is Worth Another
Day

Can We Try
To Get It Back Right
And I (I Promise I Will Never Leave Your Side)
Cos You're
All That I Need
And I Know (Right Here With You Is Where I Wanna Be)

Girl it's Been Far Too Long
And I Just can't Go On
Need You In These Arms
For One Last Try
Girl Just Hear Me Out
Cos All I'm Asking For Is
One Last Try, One Last Try, One Last Try, One Last Try

Tell Me Baby Babe Why You Wanna Act This Way
It Seems Crazy Girl After All The Love We Made
I Know I Made A Mistake When I Pushed You Away
Now My Nights Are Cold Since We Don't Share This Bed
No More

Can We Try
To Get It Back Right
And I (I Promise I Will Never Leave Your Side)
Cos You're
All That I Need
And I Know (Right Here With You Is Where I Wanna Be)

Girl it's Been Far Too Long
And I Just can't Go On
Need You In These Arms
For One Last Try
Girl Just Hear Me Out
Cos All I'm Asking For Is

One Last Try, One Last Try, One Last Try, One Last Try

So Tell Me What I Gotta Do
To Bring You Back My Way
Don't Want No One Else Touching You, Holding You
Baby My Heart Ain't Complete
You Got Me All Up On My Knees
Cos I Don't Wanna Lose Your Love

Girl it's Been Far Too Long
And I Just can't Go On
Need You In These Arms
For One Last Try
Girl Just Hear Me Out
Cos All I'm Asking For Is
One Last Try, One Last Try, One Last Try, One Last Try
