Shawty, I can't sleep, oh, I can't sleep

Till I know you're safe in bed

(In bed)

Shawty, you ain't gonna call

(No)

You ain't gonna call

(Stevie)

You can send the text instead

Send the text to my phone

(Oh)

Let me know that you got home

(Oh)

Send the text to my phone

(Oh)

Let me know that you got home

(Oh)

Send the text

(Send the text)

Shawty, when you get home just send me a text

With the smiling face and don't forget the

'Cause nothing makes me happier when I'm all alone

Than walking to my room and hearing

(Beep, beep)

On my phone

'Cause baby girl, I gotta tell you you're my world

So baby, when you got some time

Baby, hello with a text, just hello with a text

Shawty, I can't sleep, oh, I can't sleep

Till I know you're safe in bed

(In bed)

Shawty, you ain't gonna call

(No)

You ain't gonna call

(Stevie)

Just an itty bitty text can brighten up my day
Like taking a photo, you put a smile on my face
And I just can't wait to see you again
So text me through the night like I was your best friend

'Cause baby girl, I gotta tell you you're my world
So baby when you got some time
Baby hello with a text, just hello with a text

Shawty, I can't sleep, oh, I can't sleep
Till I know you're safe in bed
(In bed)
Shawty, you ain't gonna call
(No)

I wanna know what you're thinking
Who you're with, are you alone?
Girl, text me something freaky
'Cause you know it turns me on

Don't matter what time, don't matter where you at
I'm tryna play cool, you know I'll text you right back
I ain't even gonna front, you got 'em sprung

The way you got a playa constantly checking this phone
So girl, don't leave me hanging 'cause I just can't wait
Shawty, hit me with a text and let me know you're okay

Shawty, I can't sleep, oh I can't sleep
Till I know you're safe in bed
(In bed)
Shawty, you ain't gonna call
(No)
You ain't gonna call
