I surrender - you can take me
I surrender - come and taste me
Make me feel your passion deep inside

When you touch me - I can feel it
When you call me - I can feel it
You are wild, so come and drive me mad

Chorus;

And I wanna kiss your body everywhere
and I wanna feel your body next to me
You're wild and now you make me crazy

And I wanna kiss your body everywhere
and I wanna feel your body next to me
You're wild and now you make me crazy

2. When you touch me - I can feel it
When you call me - I can feel it
You are wild, so come and drive me mad

When you kiss me - I surrender
when you touch me I surrender
Come on, make me feel you deep inside

Chorus;

And I wanna kiss your body everywhere
and I wanna feel your body next to me
You're wild and now you make me crazy

And I wanna kiss your body everywhere
and I wanna feel your body next to me
You're wild and now you make me crazy
