dige to baram ye khaabe, ye akse tooye ghabi
ye shabah ye saye, taswire ye sarabi

mikhamet ama nesti, boodaneto mahale
mibinamet che fayde, didanetam khiale

didanetam khiale,

gerya age bezare, toro yadam nayare,
ama nemisha bi to, dige fayde nadare

khodahafiz azizam,
bad az to sardo khamoosh,
missoozamo mikhoonam, yadam tora faramoosh

tekrar bousseye to, dige baram ye khaabe
chi moonde az to gheyr az aksi ke tooye ghabe

khudahafiz kabootar,
khudahafiz setare,
montazeret mimoonam, ta bargardi dobare
