Sometimes  
The most beautiful things  
The most innocent things  
And many of those dreams  
Pass us by  
Keep passing us by

You feel good  
I said it's funny that you understood  
I knew you would  
When you were good  
You were very, very good

I still look up  
When you walk in the room  
I've the same wide eyes  
They tell the story  
Try not to reach out  
When you turn 'round  
And you say hello  
And we both pretend  
There was an end  
But there was no ending

So I close my eyes softly  
Til I become that part of the wind  
That we all long for sometime  
And to those that I love  
Like a ghost through a fog  
Like a charmed hour  
And a haunted song  
And the angel of my dreams

I still look up  
I try hard not to look up  
That girl was me  
Track a ghost through the fog  
A charmed hour--a haunted song  
Track a ghost through the fog, baby

Ooh, you try hard

But you'll never catch me--yeah
