I know you love
I know you give
The simplest man a way to live
I know you're there,
I know each day
You try to help me find my way
But what remains a mystery
Is all you do that I can't see

Do You Ever Dream?
Could I ever know
Is there time for you to rest between each place you
go?
Do you ever Dream?
Is there any day when you find a quiet moment where
your thoughts just drift away?
Do you ever dream, Lord?
I'd love to see what it would be about...
A miracle, no doubt
