I'll stay with you one more night
I'll bid you no goodbyes
Not until tomorrow's light...
Then I'll say goodnight
I would really rather die...
Than make you stop
I think that is the meaning of love

CHORUS:

I think that is the meaning of love
And I prefer to kick it
Yes I think that is the meaning of love
And I prefer to kick it...kick the habit

Well I'm waited for in Egypt...
It's just something I must do
Yes I can see you're waited for...all over you
All day and all night...all over the world
It's your world

CHORUS:

I think that is the meaning of love
And I'm prepared to kick it
Yes I think that is the meaning of love
And I prefer to kick it

So what is this...when you can
What is this...what about me
What is this...(What is this)
I understand...(I understand)
What is this...I'm lonely...I'm lonely...(I'm lonely)

(SOLO)

It's a strange kind of love affair...
A symphony of sorts
Strange kind of love affair...
A declaration of war
No I won't be here tomorrow night...
You won't see me smiling
Tomorrow when it's very dark...No crying...

CHORUS:

I think that is the meaning of love

And I prefer to kick it

Yes I think that is the meaning of love...

Surrender...

Well I think that is the meaning of love

I think that is the meaning of love...(love)

And I prefer to kick it

Yes I think that is the meaning of love (love...love)

But I prefer to kick it

Well I loved you more than life itself

(Nothing like forever more)

But I'm prepared to kick it

(Something like dying)

Yes I loved you more than life itself (love...love)

But I'm prepared to kick it
