The sun shines on his face  
And his smile lights the moon  
He laughs in every key  
But never sings in tune  
Oh, but I don't really mind his ways  
He is the music in me that plays

His touch can light a spark  
There's a fire in his eyes  
I think that heaven sent  
A devil in disguise  
Oh, he keeps it lively through the days  
He is the music in me that plays

Sing your crazy song and knock me off my feet  
Serenading troubadour, stroll along my moonlit shore  
Never heard a sound so sweet

His love for me is blind  
Yet he sees all he can  
I'm hopelessly inclined  
To never leave this man  
Oh, with him the magic always stays  
He is the music in me that plays

Sing your crazy song and knock me off my feet  
Serenading troubadour, stroll along my moonlit shore  
Never heard a sound so sweet

His love for me is blind  
Yet he sees all he can  
I'm hopelessly inclined  
To never leave this man  
Oh, with him the magic always stays  
He is the music in me that plays
