Written by kenny loggins and m. manchester.

(kl)

Whenever I call you friend  
I begin to think I understand  
Anything we are  
You and I have always been ever and ever

(kl/sn)

I see myself within your eyes  
And that's all I need to show me why  
Everything I do, always takes me home to you  
Ever and ever

(kl)

Now I know my life has given me more  
Than memories day by day...we can see

(sn)

In every moment there's a reason to carry on

(chorus) (kl/sn)

Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it

Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it right

(sn)

Whenever I call you friend  
I believe I've come to understand  
Everywhere we are you and I were meant to be  
Forever and ever

(kl)

I think about the times to come  
Knowin' I will be the lucky one  
Ever our love will last

I always want to call you friend

(chorus) sax solo

(sn)

Now I know my life has given me more  
Than memories...(kl)day by day...we can see

(sn)

In every moment there's a reason to carry on

(chorus)

Sweet love...sweet love yeah

Sweet love...sweet love yeah
