Written by Kenny Loggins and M. Manchester.

(KL)

Whenever I call you friend
I begin to think I understand
Anything we are
You and I have always been ever and ever

(KL/SN)

I see myself within your eyes
And that's all I need to show me why
Everything I do, always takes me home to you
Ever and ever

(KL)

Now I know my life has given me more
Than memories day by day...we can see

(SN)

In every moment there's a reason to carry on

(Chorus) (KL/SN)

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it right

(SN)

Whenever I call you friend
I believe I've come to understand
Everywhere we are you and I were meant to be
Forever and ever

(KL)

I think about the times to come
Knowin' I will be the lucky one
Ever our love will last

I always want to call you friend

(Chorus) sax solo

(SN)

Now I know my life has given me more
Than memories...(KL)day by day...we can see

(SN)

In every moment there's a reason to carry on

(Chorus)

Sweet love...sweet love yeah

Sweet love...sweet love yeah
