Would you change your mind, at the very last moment  
Would you say stop for a second...I'll bet you could  
think for a minute  
In the morning light...he says, "When will I see you?"  
She says, "I don't think tomorrow, baby"  
Sometimes I wonder if things would change if we  
stayed together  
Would you change your mind, at the very last minute  
I think you should stop for a second...Think for a  
moment

This could be a whole lotta trouble  
Whole lotta trouble  
Whole lotta trouble for you  
Well this could be a whole lotta trouble  
Whole lotta trouble  
Whole lotta trouble for you

And the angel said, "Well you must have had a  
dream...  
And you remember it..."Till the dream followed  
through...  
Till the -- end of the dream...and the dream came true  
When I want something...I get it  
"You'd better go," he says, "Yes I think I better,"  
Stop for a moment...I think you should think for a  
minute  
Would you change your mind, at the very last minute  
When I want something...I get it!

Whole lotta trouble  
Whole lotta trouble  
Whole lotta trouble for you  
Well this could be a whole lotta trouble  
Whole lotta trouble, baby  
Whole lotta trouble for you

Oh yeah, oh yeah...Not guilty...Have mercy!  
Oh he says, "You could be my prisoner...  
Well you're not living in the real world...  
You're not living in the real world."

You're not my friend...you're not my love  
And this is something that we really don't discuss  
"Where are you?" Sometimes I hear you crying...  
And I wake up...and I get through it

Well this could be a whole lotta trouble  
Whole lotta trouble  
Whole lotta trouble for you...  
Well this could be a whole lotta trouble  
Whole lotta trouble, baby  
A whole lotta trouble for you...
