It's been a day, I wonder if you miss me  
I'm willing to bet a dollar that you  
And we held hands but only for a second  
I let go cause it seemed like the right thing to do  
La-di-dai, La-la-di-dai, da-dai, la-di-dai, la-la-dai

It's been a week I wonder where you miss me  
On the streets of Brooklyn at 4 AM  
Cause then one time we both went to the ocean  
You looked at me and I looked straight ahead  
La-di-dai, La-la-di-dai, da-dai, la-di-dai, la-la-dai

It's been a month, I wonder when you miss me  
Does it normally happen on a Tuesday, night?  
Some one time you called me from the bathroom  
And I'm pretty sure that's lovely in some kind

It's been a while I wonder if you miss me  
I can always give your dollar back  
If Tuesday nights are nothing special  
If the streets of Brooklyn have been paved to black  
La-di-dai, La-la-di-dai, da-dai, la-di-dai, la-la-dai.
