I ain't gone 'n' give up on love, love ain't gone give up
on me

I ain't gone 'n' give up on love, love ain't gone give up
on me

Every tear that I've cried, washed away the fears inside
And I, just ain't gone 'n' give up on love

Every beat of my heart, pounds with joy and not in pain
Every beat of my heart, pounds with joy and not in vain
And although those are painful memories, only brought
me to my knees

I was just given up on love

Little Johnny Taylor told us so, so long ago
What about the midnight cryin', wo that cheatin' and
lyin'?

What about the price that will, oh surely be paid?
Oh those who gave up on love, love will surely have its
day

If we just don't give up on love

I ain't gone 'n' give up on love, love ain't gone give up
on me

I ain't gone 'n' give up on love, love ain't gone give up
on me

Every time I try, good Lord love just won't let let little
me be
