You're gonna miss me little baby the day that I'm gone
You're gonna miss me little darlin the day that I'm gone
Cause I'm leavin in the mornin, won't be back at all

You have run me ragged baby, It's your own fault
you're on your own
You have run me ragged darlin, It's your own fault
you're on your own
You didn't want me no way baby, till your other man
was gone

You can try to get me back baby, with all your tricks and
charms
You can try to get me back baby, with all your tricks and
charms
But when all your games are over, you'll be left with
empty arms
[guitar solo x3]

You have run me ragged baby, It's your own fault
you're on your own
You have run me ragged darlin, It's your own fault
you're on your own
You didn't want me no way baby, till your other man
was gone

You can try to get me back baby, with all your tricks and
charms
You can try to get me back baby, with all your tricks and
charms
But when all your games are over, you'll be left with
empty arms
