God knows I love you, baby, tell the world I do
God knows I love you, darlin', tell the world I do
I'll do anythang, just to be loved by you

Got so much trouble, I . . . don't know what to do
Got so much trouble, I . . . don't know what to do
Yeah, I'll do anythang, just to make love to you

I want to hug ya, kiss ya, squeeze ya till my arms fall
off
I wants to hug ya, kiss ya, squeeze ya till my arms fall
off

God knows about that, baby. . . baby, that I love you so

Got so much trouble, I . . . don't know what to do
Got so much trouble, I . . . don't know what to do
Yeah, I'll do anythang just to make love to you

I want to hug ya, kiss ya, squeeze ya till my arms fall
off
I wants to hug ya, kiss ya, squeeze ya till my arms fall
off
You'll know about that, baby. . . baby that I love you so
