I'm leavin' you woman, before I commit some crime  
I'm leavin' you woman, before I commit a crime  
You the evilest woman I think ever crossed my mind  
You put poison in my coffee instead of milk and cream  
You poison my coffee in with that milk and cream  
You're the meanest woman I think I've most ever seen  
You mix my drink with a can of Red Devil lye  
You mix my drink with a can of Red Devil lye  
Then you sit right down, watchin' me, hopin' I might die  
You better be watchin' me baby, it was not my time  
You better be watchin' me baby, just might be your time
