Before I commit some crime

I'm leavin' you woman

Before I commit a crime

You the evilest woman

I think ever crossed my mind

You put poison in my coffee

Instead of milk or cream

You poison my coffee

In with that milk and cream

You're the meanest woman

I think I've most ever seen

You mix my drink

With a can of Red Devil lye

You mix my drink

With a can of Red Devil lye

Then you sit right down

Watchin' me, hopin' I might die

You better be watchin' me baby

Baby it was not my time

You better be watchin' me baby

Just might be your time
