They were two lonely folks doin' the do's and don'ts
And got the notion together they'd be happy
Thought they'd lose the crowd an' do the mess around
Decided to make it snappy

Just a twist of fate, they didn't hesitate
Now they had another party to lean on
She made him jump and sang, he made her shake that
thang
Looks like they gonna have a ball

Ain't nothin' wrong at all
Woah, they gonna have a ball

They got to askin' what if they had to scratch 'n' sniff
To find out what it is they are after
Got the ants out their pants an' took the chance on
romance
Made some plans to make it forever

Several years have gone, they still gettin' along
They know what true love is made of
They know that life's a trip with all its bumps and dips
They gonna help one another along

Nothin' wrong at all, still havin' a ball
Lord, they really gettin' it on

Time is on their side, they got nothin' to hide
Never had no secrets between them
He don't need to accuse her, use her or abuse her
And she feels the same for him

And those vows they made said nothin' 'bout slaves
And didn't mention rentin' to own
They can take the stand that walkin' hand in hand
What they got is gooder than gold

Ain't nothin' wrong at all
Woah, they gonna have a ball
Yeah, they really got it all

Love is true heart's desire, without it's just a funeral
pyre
Got to let your true love grow
It's all you got that's gooder than gold
Let's get it on ya'll
