Very superstitious writing on the wall
Very superstitious ladder's 'bout to fall
Thirteen month old baby broke that looking glass
Seven years of bad luck good things in the past

When you believe in things that you don't understand
Then you suffer superstition ain't the way

Very superstitious wash your face and hands
Rid me of the problem do all that you can
Keep me in a daydream keep me going strong
You don't want to save me sad is my song

When you believe in things that you don't understand
Then you suffer superstition ain't the way

Very superstitious nothing more to say
Very superstitious Devil's on his way
Thirteen month old baby broke that looking glass
Seven years of bad luck good things in the past

When you believe in things that you don't understand
You will suffer superstition ain't the way
