Woke up this morning, I was all alone  
Saw your picture by the telephone  
I was missing you, oh, so bad

Wish I had you here to hold  
All I've got is this touch-tone phone  
So I guess I'll give you a call

Operator help me, please  
Get through to my baby way overseas  
Time's a wastin?, oh, so fast

Hello, baby, tell me is that you?  
I don't know what we're gonna do  
But for now I'm glad I got you on the line

Well, it feels so fine knowing you're all right  
But you're miles away, lord, it's not the same

Well, I woke up this mornin', I was all alone  
Saw your picture by the telephone  
I've been missing you, baby, oh, so bad

I love you, baby, with all my might  
Come on home and squeeze me tight  
Long distance loving's gonna drive me out of my mind

You better come on home, baby  
I'm 'bout to go crazy  
I'm tired of huggin' my pillow at night  
It sure don't kiss as good as you do

In all them pictures you gave me  
Your lips don't move at all  
All your clothes in the closet  
They'd look a lot better on you than they do on the  
hanger

[Incomprehensible] arms around you  
Come on home
