Well they call me hurricane an' I've come to play in your town

Yeah they call hurricane an' I've come to play in your town

If you don't like my music I'm sure gonna drive to your town

Yeah I like my pocket full of money my whiskey, gin and wine

Yes I like my pocket full of money my whiskey, gin and wine

Y'all can come to dinner love my lovin' all the time

Yeah they call me hurricane an' I've come to play in your town

Yeah they call me hurricane an' I've come to play in your town

If I can't play this guitar I'm sure gonna drive to your town
