Well I'm standin' next to a mountain....
Choppin' down with the edge of my hand
Well I'm standin' next to a mountain....
Choppin' down with the edge of my hand
Pick up the pieces, make an island....
Might even raise a little sand

Cause I'm a voodoo chile....
Lord knows I'm a voodoo chile

I didn't mean to take up all your sweet time
Give it right back to you....
One of these days
I didn't mean to take up all your sweet time
Give it right back to you....
The rest of my days

I won't see you again in this world....
See ya in the next one
Don't be late....
Don't be late

Cause I'm a voodoo chile yeah....
Lord knows I'm a voodoo chile
