Well I'm standin' next to a mountain....  
Choppin' down with the edge of my hand  
Well I'm standin' next to a mountain....  
Choppin' down with the edge of my hand  
Pick up the pieces, make an island....  
Might even raise a little sand

Cause I'm a voodoo chile....  
Lord knows I'm a voodoo chile

I didn't mean to take up all your sweet time  
Give it right back to you....  
One of these days  
I didn't mean to take up all your sweet time  
Give it right back to you....  
The rest of my days

I won't see you again in this world....  
See ya in the next one  
Don't be late....  
Don't be late

Cause I'm a voodoo chile yeah....  
Lord knows I'm a voodoo chile
