Counting my change in the back of the bus
I don't have enough for the both of us
The corner store charges way too much
I don't have enough, so let's just skip lunch
I'm not safe, I'm not safe
I'm not safe, or sorry, I'm not safe

Waiting in line now it's after two,
The air is stale I need new shoes
It's hard when your needs aren't met
To do what you like and to give your best
We're not safe, we're not safe
We're not safe, or sorry, we're not safe
I'm not safe, I'm not safe
I'm not safe

The price is the same for that loaf of bread
The same dirt will cover you when you're dead
Enjoy the privilege of earning twice as much
Someday that phone will ring
You'll be out of luck
You're not safe,
You're not safe, or sorry, you're not safe
I'm not safe, I'm not safe
