My radio is tuned to an alien station
My fingers are tapping to an alien tune
I wonder what kicks you can get on this moon
Stay ready to cut and run

Stay ready to cut and run
Stay ready to fly away
Stay ready to cut and run
Stay ready stick to attention

I wonder what kind of birds are in the sky
Stay ready to fly away
Wierd life forms drinkin' cups of tea
There's some strange stuff they're gonna show me

Stay ready to cut and run
Stay ready stick to attention
Stay
Stay ready to cut and run
Stay ready to fly away
Your planet on my screen (Ooooo...)
Whole new place
I never seen it before (Ooooo...)
Strange city down below
1,000 feet to zero (Ooooo...)
Stick to attention

Stay ready to cut and run
Stay ready to fly away
Stay ready to cut and run
Stay ready to fly away
Go!

I shoulda been a cowboy
Uhhh Ohhh
