(The Arachnids)
Now the Philistines ruled Judah
And there they came and camped
And they made a raid on Lehi
And the men of Judah asked them why
"We've come for Samson
(We've come, we've come for Samson)
We've come for Samson
(We've come, we've come
for Samson)
We've come to do what he did to us
(We've come, we've come for Samson)
We've come for Samson"
(We've come for Samson)
So three thousand men of Judah
Came up to the rocky cleft
And they made a confrontation
Demanding Samson's explanation
"What have you done now ?
(What have, what have you done now?)
What have you done now ?
(What have, what have you done now?)
These Philistines rule over us
(What have, what have you done now?)
What have you done now ?"
(What have you done now ?)
"I only paid them back
For what they did to me
But they've done me wrong
So they've been judged accordingly"
"We have come to bind you, Samson
So they we might give you up
The Philistines may take you
To appease them we will forsake you"
"Alright," said Samson
("Alright, alright," said Samson)
"Alright," said Samson
("Alright, alright," said Samson)
"But promise you won't kill me first
("Alright, alright," said Samson)
Alright," said Samson
("Alright," said Samson)

So they bound up Samson tightly
And they used the best new ropes
And from the rock of Etam brought him
To the Philistines who sought him
"We'll give you Samson
(We'll give, we'll give you Samson)
We'll give you Samson
(We'll give, we'll give you Samson)
In return that you will let us be
(We'
ll give, we'll give you Samson)
We'll give you Samson
(We'll give you Samson)
Ah-oh we'll give you Samson
(We'll give, we'll give you Samson)
We'll give you Samson
(We'll give, we'll give you Samson)
We'll give you Samson
(We'll give you Samson)
