The Arachnids)  
Even superheroes  
Are mortals like us all  
But there's a human weakness  
Which makes the mighty fall  
It makes you do  
The wildest things  
Can anyone explain  
Why a superman  
Would give his strength  
To win his Lois Lane ?  
Delilah, Delilah  
I give you all, Delilah  
I show how much you mean to me  
I give you anything  
Delilah, Delilah  
Don't tear my soul, Delilah  
The hold that you have over me  
You have me on a string  
Delilah, Delilah  
What use is strength, Delilah ?

What good is all the power on earth

Without you by my side ?

Delilah, Delilah

What's mine is yours, Delilah

And all the time I feel the way I do

There are no secrets when I'm here with you
